This application must be submitted not less than five (5) days prior to any Construction within a public way.

Notice 24 hours in advance of any construction must be given to the Town Engineer.

1. Permittee: M E T & Co Address: 76 Summer St. Fitchburg
2. Location of Proposed Construction: Independence Dr Rd
3. Purpose of Construction: Buried cable
4. Length of Cut: Road crossing app 30' Edge of road app 800'
5. Width of Cut: 12"
6. Width of Existing Pavement: 30'
7. Type of Existing Roadway Surface: mac Type of Curb: None
8. Type of Existing Sidewalk Surface: None Type of Shoulder: Gravel
9. Date of Street Opening: From 8-4-74 To 8-15-74

I, the undersigned, hereby declare that I have read and agree to the Town of Acton Specifications for Regulating Construction within Public Ways dated February 4, 1969. I have deposited the required bond with the Town of Acton, and I covenant and agree that the Town may deduct from this amount the cost of completing the permanent patch if that is not completed by me to the satisfaction of the Town Engineer within the specified time.

Witness my hand and seal,

Signature of Applicant: Ralph R. Helton

Special Instructions:

A plan showing the proposed work shall be submitted to the Town Engineer prior to the start of work. In addition said plan to show, in detail, the method of patching the road pavement cut according to the "Specifications for Regulating Construction Within Public Ways" (enclosed). Since the surface of Independence Road is new within three years an additional requirement of 6" of concrete placed directly below the bituminous patch is further specified. Prior to final approval of the work by the Town Engineer the plan required above shall be amended to show the "As Built" location of the buried cable.
