Dear Ms. Leavenworth:

On behalf of the Towns of Acton, Carlisle and Westford, **Greenman-Pedersen, Inc. (GPI)** is pleased to submit the 100% Design Package for the above referenced project. Enclosed please find the following documents:

- Eight (8) full-size sets of Highway Design Plans including cross sections
- Five (5) full size sets of Highway Design Plans without cross sections
- One (1) full size set of Highway Design Plans including cross sections and one (1) full size set of color Construction Plans (DUCE)
- One (1) half-size set of Highway Design Plans including cross sections (FHWA)
- Four (4) full size sets of the Preliminary Right of Way Plans
- One (1) copy of the Response to Comments
- Four (4) copies of the Special Provisions (one for FHWA)
- Four (4) copies of the Construction Cost Estimate with backup (one for FHWA)
- One (1) copy of the Quantity Detail Sheets (FHWA)
- One (1) copy of the 100% Highway Design Review Checklist (FHWA)
- Two (2) copies of Route 27/225 Traffic Signal Clearance Time Calculations (as requested in Comments)
- Two (2) copies of the Horizontal Alignment Report
- Two (2) copies of the Design Exception Report
- One (1) CD for the Project Manager containing electronic copies of the abovementioned items as well as a PDF copy of this transmittal letter.

One item to note with this submission is the Fill Quantities on the cross sections all indicated 0.00 s.f. This was noticed after the plans were sent out for printing. The correct quantities have been incorporated into the Estimate and are noted in the Office Calculation Book. If anyone requires a corrected set of cross sections, please let us know and a set will be printed and submitted.
