

## Inter-Departmental Communication

DATE: SEPTEMBER 15, 1981

TO: WALTER O'CONNELL, TOWN TREASURER

FROM: ENGINEERING DEPARTMENT/HIGHWAY DEPARTMENT

SUBJECT: PERMITS TO CONSTRUCT WITHIN A PUBLIC WAY #80-13, 80-14, 80-109

At various times during the life of the above three permits the Acton Highway Department has had to do emergency repair work on the water service trenches allowed under these permits. In addition, routine patching was required prior to oiling the entire road last summer. Therefore, we estimate that \$50.00 (for a total of \$150.00) should be withheld from each \$250.00 bond to reimburse the Town for this work and the remainder of each bond (\$200.00) returned to Ridgewood Construction.
