To Kristen Guichard,

My name is William Garnett and I am the Vice President of Grounds and Maintenance for the Patriots Hill Recreational Club located at 21 Musket Drive, Acton.

I have just been informed (as of yesterday - 5/3/14 - afternoon) about the proposed development plan that includes a sidewalk on pool property - the link to this proposal is here:

http://doc.acton-ma.gov/dsweb/Get/Document-44241/Roosevelt%20Drive%20-%20Subdivision_Residential%20Compound%20-Planning%20Dept%20Memo%2004-17-14.pdf

It is my understanding that there is a hearing on this subject on Tuesday, May 6th - but the proposal does not identify a time or a place? Could you provide.

As a member of the pool board and a neighbor of the grounds (I live directly across the street), I am not opposed to the sidewalk, but would like to suggest a modification. The proposal is to stop the sidewalk at the south side of the pool entrance - which would not only look cosmetically awkward, it would only serve a small portion of our members (who come from both directions. I would like to suggest that the sidewalk extend the entire length of the pool property (stopping at the creek).

Do I need to attend this hearing in order to make this request? or by contacting you have I already expressed my concerns? Is there someone else I should speak with?

Thank you for your time - I look forward to hearing back from you.

William Garnett
