Chief,

I have been in contact with Rob the event coordinator and last week sent him the detail form for him to sign and get it back to me with his payment. This year we are requiring him to have 3 officers in all, 2 officers from 9 AM to 5PM (one officer would be designated to traffic to avoid complaints like we had last year) the other would be for crowd control and the third officer will be from 15 the hours the alcohol would be served. Rob was fine with the additional officer this year once I explained what occurred last year and how we want to avoid that this year.

Lisa,

This is an annual event of 400 attendees and generates significant parking issues and complaints. As usual I am recommending detail officers be required before any license is issued. The proponent should contact Detective Prehl to set up the number and assignment of officers.

I recommend the issuance of the license as long as the hiring of detail officers is a requirement for approval.

Regards,
Frank
