TOWN OF ACTON

ENGINEERING DEPARTMENT

DATE: March 20, 1986

TO: L & S Builders, Inc.

SUBJECT: Notice of Inspection - Permit to Construct Within a Public Way # 85-55
85-56

LOCATION: Lots 4 & 6 Barker Road

The following work remains to be done:

Shoulders need to be graded and smoothed to existing contours and any large
rocks and debris removed.

The driveways are unacceptable in their present condition. The area
crossing the Town layout should be paved to prevent stone and sand from
washing into the street.

Please contact us when the work is completed.

Signed

David A. [Signature]

Town Engineer

TOWN OF ACTON

ENGINEERING DEPARTMENT

DATE: June 26, 1986

TO: L & S Builders

SUBJECT: Notice of Inspection - Permit to Construct Within a Public Way # 85-88

LOCATION: Barker Road 85-55
85-55 & 57

The following work remains to be done:

Driveways are paved and road shoulders properly loamed and seeded, however
silt and sand from the construction is still evident on the street in large
quantities at some locations. This excess material should be picked up
and the street swept. Sweepings should be removed rather than pushed into
the grass at the road shoulder.

Please contact us when the work is completed.

Signed *David A. ...*
Town Engineer
