Lisa,

After seeing the results of Det. Stackhouse's inquiry into this event I am not recommending that the Board of Selectmen approve this license.

I would only recommend it on the condition that they hire a trained bartender at the event who will take responsibility for the serving of alcohol.

Chief,

I spoke to the applicant this morning who explained that the party will be for four boys ages 18-27. I questioned her as to whom will be serving the alcohol and from what I understand it will be a "self serve" type event with Beer no mixed hard alcoholic drinks. There will be no trained bar tenders on scene. Emmanuela advised also that her husband would be the designated person to watch out for any issues. I explained that there were some concerns with this event and explained someone would get in touch with her. I recommend against this one day license.

I have some concerns about this event. I will have one of my traffic officers contact the licensee. This is a college and high school graduation party of 120 people with alcohol being served until midnight as I read the application. I want to know how the supervision will be handled and how the alcohol will be served.
