Dear Sirs:

We have reviewed your request seeking release of the performance deposits on your outstanding "Permits to Construct within a Public Way". The following is a list of each permit and any remaining work which needs to be completed prior to release of the deposit.

Permit #91-130 Additional driveway to 185 Parker Street
This driveway has not been paved or otherwise stabilized.

Permit #91-131 Water services at High St. & Parker St.
Both trenches are settling and will need to be replaced or repaired with an infrared heater in the Spring prior to release.

Permit #92-15 Driveway to lot 117
Approved for release.

Permit #92-16 Driveway to lot 118
Approved for release

Permit #92-17 Driveway to lots 119 & 120
3 Land Court drill holes were destroyed due to construction on this lot. The points must be reset with new drill holes or stone bounds in locations where the walls no longer exist. All work related to resetting these points must be completed and certified by a registered professional surveyor.

Permit #92-18 Driveway to lot 'A'
The location of the drill hole at the corner of lot 'A' must be certified by a registered professional land surveyor. The original wall in this area has been disturbed by construction and the location of the drill hole is questionable.

Permit #92-19 Driveway to lots 'B' & 'C'
Same comment as permit #92-18

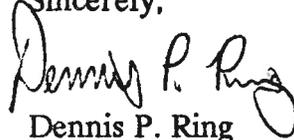

Permit #92-20 Driveway to lot 'D'
A drill hole along the frontage of this lot was destroyed during the construction of the driveway to lot 'E'. It must be reset by a registered professional land surveyor prior to release of the deposit.

Permit #92-21 Driveway to lot 'E'
Same comment as permit #92-20.

Permit #92-22 Driveway to lots 'G' & 'H'.
Approved for release.

Permit #92-38 Driveway & water service to 61 Main Street
The water trench has settled and must be replaced or repaired with an infrared heater in the Spring. Also, the joint at the driveway has settled and must be repaired.

Sincerely,

Dennis P. Ring
Engineering Assistant
