Dear Board Members:

This letter is to request that the Board continue the Public Hearing for the proposed development at 5 - 19 Maple Street to a regularly scheduled meeting in March.

The purpose of this extension is to allow the applicant to reach an agreement with an abutter, who presently utilizes a portion of the site for egress to the rear of their property, to allow the facades of the buildings to be revised as suggested at the Public Hearing and to allow consultations with the Town's staff members to continue.

Thank you for any consideration you may give this matter.

Very truly yours,
Mark T. Donohoe, PE
