Lisa,

Due to the large number of attendees and the hours for the 7/11/14 event, I recommend that if the Board of Selectmen approves the license that they require the event coordinator to hire a certified bartender through either TIPS or another equivalent program.

I assume that even though the number of participants is blank on the 7/24/14 form that the number will be the same so I recommend the certification be required at that event as well unless you hear something different from the applicant.

Regards,
Frank

I find no issue with the issuance of either of the licenses.
