Re: 44 & 48 Great Road Certificate of Compliance; DEP # 85-767

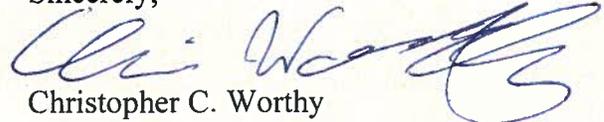

Dear Conservation Commission:

I represent the Acton Housing Authority, owner of the property located at 48 Great Road, Pillar House I Condominiums, Unit 12, Acton, MA. During the process to sell the property it has come to our attention that there is an Order of Conditions (DEP # 85-767) covering the premises for which a Certificate of Compliance was never recorded. Upon reviewing the records of the Conservation Commission it was discovered that a Certificate of Compliance was issued on February 16, 2005, but it was not recorded with the Registry of Deeds.

The only copy of the Certificate of Compliance in the Conservation Commission's office is a copy stamped with "File Copy," and is not suitable for recording. I have not been able to locate the original Certificate of Compliance. Could the Conservation Commission please issue me a new original Certificate of Compliance so that I may record it with the Middlesex South Registry of Deeds?

Please do not hesitate to call or email me if you have any questions. I have enclosed a copy of the Certificate of Compliance. Thank you.

Sincerely,

  
Christopher C. Worthy
