*Cory:*

*This is a permit to stub a main onto the property for the winter.*

*As I recall we will continue to process onsite mains the way we have been doing them in the past and in the spring we will start the process of going before the Board*

**Subject:** Keyspan - new gas services

Keyspan has 4 permits for new gas services at 446 Main Street, 48 Nashoba Rd, 81 River Street & 82 River Street (Habitat for Humanity). They have asked for an extension until next week so that they can install these services for the homeowners. Do you have any issues with Keyspan doing this work next week?
