Subject: Consent agenda

Now that we have straightened out the EDC roster with Eva, I want to put David Foley on the consent agenda for one of the associate positions that is open for August 11th - I forgot to mention it today (or yesterday, since it is past midnight).

Subject: David Foley appointment

I have interviewed David Foley for a position on the HDC and would like to put him on the next consent agenda.

He has also applied for the EDC and he would be an excellent candidate for that board as well but I am not the liaison for that board. If the liaison agrees, we could add his name to that committee at the same meeting.

The Acton Volunteer Coordinating Committee met June 9, 2014 and interviewed David Foley for a position on the Historic District Committee, EDC, or Historic Commission. He is an amateur historian and has attended meetings of the EDC for the past year. For the long term would like to be on the Planning Board as he was several years ago in Granby, Ma.

Attends Town Meeting and is very interested in town affairs. His attached synopsis is very impressive. Would be interested in serving on both the HDC and the EDC and has the time to devote to both of these committees. He has attended both committee meetings.

We voted to further his name for consideration on a member of both committees.
