Re: Request to dispose of obsolete items

I respectfully request the Selectmen's permission to dispose of the following items:

1. 2004 Ford Expedition
2. 1987 Chevrolet K30 Pickup/Brush Truck
3. 1983 Relco Utility Trailer
4. 1972 GlobeStar Travel Trailer

All items listed are either defective, unsafe for roadway travel and/or prohibitively expensive to repair. Pending approval, they will be disposed of at auction or scrap at the Highway Department's discretion.

Regards,
