Subject: Public Hearing- Kelley's Corner

To Whom it May Concern,

Unfortunately, I cannot attend Public Hearing this Tuesday. However, I would like to share my thoughts regarding the zoning amendments that impact Kelley's Corner. Acton 2020 has been working with passion on a Kelley Corner Improvement plan on behalf of our community which will allow for the possibility of a walkable town center. The proposed zoning amendments do not support this initiative and therefore I do not support them. Having a drive-thru at the new CVS does not promote the vision for a town center that I would hope for. Honestly, the building itself is unfortunate as its size is just behemoth. This amendment should at the very least, be put on hold until Acton 2020 has the opportunity to complete their study and propose their zoning amendments.

Thank you in advance for these considerations.

Best,
Jennifer Nelson
