Subject: Recommendation of Roseann Stone to COA Board

I had a pleasant interview with Roseann Stone today in the COA (thanks to Judy for taking over the phones during our interview) for a position on the Council on Aging Board. Roseann will be a great addition to the Board. I know she started attending meetings earlier this year, then the summer intervened. I am happy to recommend her for membership on the board in the full member slot.

Please put this recommendation on the next BOS agenda.

Thank you very much.
