**RE: GAEBEL CONSERVATION RESTRICTION, ACTON CR #18**

Dear Irene:

Enclosed please find the executed CR document and completed Municipal Certification Form, which should complete the Application Form. I believe all is in order and ready for Secretary Sullivan's signature. Baseline documentation is also complete. I will see that the CR is recorded promptly once I receive it back from you.

The final document reflects the minor corrections recommended by Arthur Hughes.

If you have any questions or require additional information before obtaining the Secretary's signature, please let me know. Thank you.

Sincerely,

Fran Portante  
Natural Resources Assistant
