Re: Selectmen CPA Priorities

Please be advised that the Board of Selectmen, as requested by the Community Preservation Committee, revisited their CPA priorities based on the submittal of a request for Open Space Set Aside funds and the request for an application for National Register of Historic Places designation for Forest Cemetery.

Below, please find the revised priority list:

1. Assabet River rail Trail Acquisition
2. Open Space Set Aside
3. NARA Safety Improvements
4. NARA Picnic Pavilion Restroom
5. Skate Park Expansion
6. Irrigation Wells: Arboretum and Morrison Farm
7. Forest Cemetery Historic Designation

It should be noted that neither the Arboretum Fern Boardwalk nor the Invasive Water Chestnut Plant Removal received any consideration.
