Subject: recommendations for SCSC

For Senior Center Study Committee, additional names of members I have interviewed and recommend are:

Robert Skillen
Barbara Wilson (Council on Aging member)
Marion Maxwell (Council on Aging member)

Can they please be on the next agenda, for Jan. 26?

I would also like to request that we add a few associate member spots to the committee charge. These spots may not be filled but may be helpful to have should we want to add members. Is this possible to have on the agenda?

Thanks a lot.

Franny

Subject: The Acton Volunteer Coordinating Committee met Jan

The Acton Volunteer Coordinating Committee met January 13, 2014 and interviewed Robert Skillen for a position on the Acton Senior Center Study Committee. He has lived in Acton for 37 years and has been going to the Senior Center since his retirement 2 years ago. He is a former DEC employee then went into the teaching field. He is an attendee of town meeting and a regular voter.

Since using the Senior Center, he has become aware of the inadequate space for activities and feels he could be helpful on the study committee.

We highly recommend his name for further consideration.

Jean Lane, VCC
