INTERDEPARTMENTAL COMMUNICATION

To: Board Of Appeals

Date: January 12, 2015

From: Engineering Department

Subject: 11 Berry Lane – Proposed addition

We have reviewed the application for the addition to 11 Berry Lane and have the following comments:

1. The proposed garage does not appear to be on any recorded easements.
2. The home does not appear to be located within the 100-year floodplain area.
3. The proposed garage will require a street cut permit for the relocated driveway.

If there are any additional questions or comments, please let us know.
