PROPOSAL

The Wellesley Municipal Light Plant (WMLP) will provide the materials and services needed to install 53-watt and 30-watt LED streetlights on the designated roads in the Town of Acton at a cost of \$341.00 per fixture. This cost includes all materials, labor, and truck charges. It does not include any police details. Upon agreement between both parties, the WMLP will be able to begin the work almost immediately, with only 1 week of lead time for the materials.
