

Kelley's Corner Improvement Initiative

Public Workshop

May 7th @ 7PM in Town Hall

Join the Kelley's Corner Steering Committee, the Cecil Group, and Greenman Pedersen, Inc. for a review and discussion of the Kelley's Corner improvement concepts:

Zoning Regulations in Support of Change

- A primer on development and redevelopment economics
- Master planned development permits for mixed use redevelopment projects
- Supporting design guidelines for site layout, buildings, and landscaping

Conceptual Infrastructure Plan

- How will it work
- Access management
- Right of way implications
- What will it cost
- Funding options
- The role of MassDOT

Preliminary Public Infrastructure Plan
