INTERDEPARTMENTAL COMMUNICATION

To: Board Of Appeals

Date: April 24, 2015

From: Engineering Department

Subject: 19 Henley Road – Proposed additions

We have reviewed the application for the additions to 19 Henley Road and have the following comments:

1. The proposed addition does not appear to be on any recorded easements.
2. The home does not appear to be located within the 100-year floodplain area.
3. The proposed addition will require a street cut permit for a relocated driveway, if proposed, and any relocated utilities within the public right-of-way.

If there are any additional questions or comments, please let us know.
