SECTION 57. No person, except one whose principal business is the manufacture and sale of new motor vehicles but who incidentally acquires and sells second hand vehicles, or a person whose principal business is financing the purchase of or insuring motor vehicles but who incidentally acquires and sells second hand vehicles, shall engage in the business of buying, selling, exchanging or assembling second hand motor vehicles or parts thereof without securing a license as provided in section fifty-nine. Information and Instructions

Massachusetts General Laws chapter 152 requires all employers to provide workers' compensation for their employees. Pursuant to this statute, an *employee* is defined as "...every person in the service of another under any contract of hire, express or implied, oral or written."

An *employer* is defined as "an individual, partnership, association, corporation or other legal entity, or any two or more of the foregoing engaged in a joint enterprise, and including the legal representatives of a deceased employer, or the receiver or trustee of an individual, partnership, association or other legal entity, employing employees. However, the owner of a dwelling house having not more than three apartments and who resides therein, or the occupant of the dwelling house of another who employs persons to do maintenance, construction or repair work on such dwelling house or on the grounds or building appurtenant thereto shall not because of such employment be deemed to be an employer."

MGL chapter 152, §25C(6) also states that "every state or local licensing agency shall withhold the issuance or renewal of a license or permit to operate a business or to construct buildings in the commonwealth for any applicant who has not produced acceptable evidence of compliance with the insurance coverage required." Additionally, MGL chapter 152, §25C(7) states "Neither the commonwealth nor any of its political subdivisions shall enter into any contract for the performance of public work until acceptable evidence of compliance with the insurance requirements of this chapter have been presented to the contracting authority."

Applicants

Please fill out the workers' compensation affidavit completely, by checking the boxes that apply to your situation and, if necessary, supply your insurance company's name, address and phone number along with a certificate of insurance. Limited Liability Companies (LLC) or Limited Liability Partnerships (LLP) with no employees other than the members or partners, are not required to carry workers' compensation insurance. If an LLC or LLP does have employees, a policy is required. Be advised that this affidavit may be submitted to the Department of Industrial Accidents for confirmation of insurance coverage. **Also be sure to sign and date the affidavit.** The affidavit should be returned to the city or town that the application for the permit or license is being requested, **not** the Department of Industrial Accidents. Should you have any questions regarding the law or if you are required to obtain a workers' compensation policy, please call the Department at the number listed below. Self-insured companies should enter their self-insurance license number on the appropriate line.

City or Town Officials

Please be sure that the affidavit is complete and printed legibly. The Department has provided a space at the bottom of the affidavit for you to fill out in the event the Office of Investigations has to contact you regarding the applicant. Please be sure to fill in the permit/license number which will be used as a reference number. In addition, an applicant that must submit multiple permit/license applications in any given year, need only submit one affidavit indicating current policy information (if necessary). A copy of the affidavit that has been officially stamped or marked by the city or town may be provided to the applicant as proof that a valid affidavit is on file for future permits or licenses. A new affidavit must be filled out each year. Where a home owner or citizen is obtaining a license or permit not related to any business or commercial venture (i.e. a dog license or permit to burn leaves etc.) said person is NOT required to complete this affidavit.

The Office of Investigations would like to thank you in advance for your cooperation and should you have any questions, please do not hesitate to give us a call.

Chapter 422 of the Acts of 2002

AN ACT RELATIVE TO CERTAIN MOTOR VEHICLE DEALERS.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

SECTION 1. Chapter 140 of the General Laws is hereby amended by striking out section 58 and inserting in place thereof the following section:-

Section 58. (a) Licenses granted under sections 59 and 59A shall be classified in accordance with subsections (b) to (d), inclusive.

(b) Class 1. Any person who is a recognized agent of a motor vehicle manufacturer or a seller of motor vehicles made by such manufacturer whose authority to sell the same is created by a written contract with such manufacturer or with some person authorized in writing by such manufacturer to enter into such contract, and whose principal business is the sale of new motor vehicles, the purchase and sale of second hand motor vehicles being incidental or secondary thereto, may be granted an agent's or a seller's license; provided, that with respect to second hand motor vehicles purchased for the purpose of sale or exchange and not taken in trade for new motor vehicles, such dealer shall be subject to all provisions of this chapter applicable to holders of licenses of Class 2, except subsection (c), and to rules and regulations made under those provisions; and provided further, that such dealer maintains or demonstrates access to repair facilities sufficient to enable him to satisfy the warranty repair obligations imposed by section 7N! of chapter 90, and shall remain liable for all warranty repairs made and other obligations imposed by said section 7N! of said chapter 90.

(c) Class 2. A person whose principal business is the buying or selling of second hand motor vehicles, a person who purchases and displays second hand motor vehicles for resale in retail transactions, and any other person who displays second hand motor vehicles not owned by him pursuant to an agreement in which he receives compensation, whether solely for displaying the vehicles, upon the sale of each vehicle, or otherwise, may be granted a used car dealer's license and shall be subject to the following conditions:

(1) The person shall obtain a bond, or equivalent proof of financial responsibility as described in paragraph (5), and continue in effect a surety bond or other equivalent proof of financial responsibility satisfactory to the municipal licensing authority in the amount of \$25,000 executed by a surety company authorized by the insurance department to transact business in the commonwealth. The bond or its equivalent shall be for the benefit of a person who purchases a vehicle from a Class 2 licensee, and who suffers loss on account of:-

(i) the dealer's default or nonpayment of valid bank drafts, including checks drawn by the dealer for the purchase of motor vehicles;

(ii) the dealer's failure to deliver, in conjunction with the sale of a motor vehicle, a valid motor vehicle title certificate free and clear of any prior owner's interests and all liens except a lien created by or expressly assumed in writing by the buyer of the vehicle;

(iii) the fact that the motor vehicle purchased from the dealer was a stolen vehicle;

(iv) the dealer's failure to disclose the vehicle's actual mileage at the time of sale;

(v) the dealer's unfair and deceptive acts or practices, misrepresentations, failure to disclose material facts or failure to honor a warranty claim or arbitration order in a retail transaction; or

(vi) the dealer's failure to pay off a lien on a vehicle traded in as part of a transaction to purchase a vehicle when the dealer had assumed the obligation to pay off the lien.

(2) Recovery against the bond or its equivalent may be made by any person who obtains a final judgment in a court of competent jurisdiction against the dealer for an act or omission on which the bond is conditioned if the act or omission occurred during the term of the bond. Every bond shall also provide that no suit may be maintained to enforce any liability on the bond unless brought within 1 year after the event giving rise to the cause of action.

(3) The bond or its equivalent shall cover only those acts and omissions described in clauses (i) to (vi), inclusive, of paragraph (1). The surety on a bond shall not be liable for total claims in excess of the bond amount, regardless of the number of claims made against the bond or the number of years the bond remained in force.

(4) A separate bond shall be required for each different name under which the dealer conducts his business and for each city or town in which the dealer has a place of business.

(5) In lieu of the bond required by this section, the municipal licensing authority may allow the dealer to deposit collateral in the form of a certificate of deposit or irrevocable letter of credit, as authorized by the banking laws of the commonwealth, which has a face value equal to the amount of the bond otherwise required. The collateral may be deposited with or executed through any authorized state depository designated by the commissioner. Interest on the certificate of deposit shall be payable to the dealer who has deposited it as collateral, or to a person as the dealer or the certificate may direct.

(6) A surety shall provide to the municipal licensing authority notice of cancellation of the bond within 30 days of the cancellation.

(7) Upon receipt of notification from a surety that a bond has been cancelled, the municipal licensing authority shall notify the licensee that he has 10 days to comply with the bonding requirement. If the licensee does not comply within the 10 day period, the municipal licensing authority shall revoke the Class 2 license and shall notify the registrar who shall suspend or revoke any dealer plate issued to the licensee pursuant to section 5 of chapter 90.

(8) A municipal licensing authority shall not issue or renew a Class 2 license unless it is satisfied that a bond or equivalent proof of financial responsibility meeting the requirements of this section is in effect during the term under which the license shall be issued or renewed, and that the licensee maintains or demonstrates access to repair facilities sufficient to enable him to satisfy the warranty repair obligations imposed by section 7N! of chapter 90. A used car dealer shall remain liable for all warranty repairs made and other obligations imposed by said section 7N¼ of said chapter 90.

(d) *Class 3.* A person whose principal business is the buying of second hand motor vehicles for the purpose of remodeling, taking apart or rebuilding and selling the same, or the buying or selling of parts of second hand motor vehicles or tires, or the assembling of second hand motor vehicle parts may be

granted a motor vehicle junk license.

(e) The registrar of motor vehicles, after consulting the office of consumer affairs and business regulation, shall adopt rules and regulations defining sufficient repair facilities for the purposes of subsection (b) and paragraph (8) of subsection (c).

SECTION 2. The regulations adopted by the registrar of motor vehicles under section 58 of chapter 140 of the General Laws, as they were in force on the effective date of this act, shall continue in force until amended as provided in subsection (e) of said section 58 of said chapter 140.

Subject: Class 1 and 2 dealer compliance checks

Date: March 27, 2015

Lisa,

I completed my yearly compliance check of all class 1 and 2 used and new car dealers in the town. I discovered one violation at Swanson Buick-GMC Truck, Inc, license number 4. The license specifically states that the vehicles will be at lot 1 Sudbury Rd. I discovered a variety of 28 new light duty trucks and SUV's for sale at the lot owned by Swanson Buick – GMC at 45 Powdermill Rd (corner of Sudbury and Powdermill Rd). I check with Scott Mutch and he was unaware of any changes made to the site plan at the Powdermill Rd or Sudbury Rd. properties. Please find the attached photos of the violation that was discovered.

Hi John – and thank you. So, it appears that we need to have you do an amendment to your license. The Board of Selectmen is the only Board that grants changes or amendments to Class I&II Auto Dealer Licenses. I apologize for making you go through this right now, but we definitely want to have you squared away for any unforeseeable issues in the future!

The process is not painful, but you will have to appear before the Board of Selectmen (or your designee) sooner rather than later. For your convenience, I have attached the regular application. Please fill it out in its entirety, and include a cover letter with what you are requesting to amend (lot size, number of cars, etc – basically what you have for a setup currently), send it back to me, and I will schedule the earliest hearing date as possible (at this point it will be in May).

~~Section 4, Shares~~

(a) Restrictions.

Every Stockholder shall purchase or hold stock subject to the following conditions and restrictions:

1. Any Stockholder, his heirs, executors or administrators, desiring to sell the stock owned by him or them shall first offer it for sale to the Corporation through its Directors, in the following manner:

2. He, or they, shall notify the Directors of his or their desire to sell by a notice in writing, which notice shall contain the price at which he is willing to sell, and also the name of one arbitrator. The Directors shall within ten days thereafter either accept the offer or, if unwilling to accept the stock at the price offered, shall by notice to him or them in writing, name a second arbitrator, and these two shall within ten days choose a third. Within ten days after the choice of the third arbitrator it shall be the duty of the arbitrators to ascertain the fair value of the stock, and if either party shall neglect or refuse to appear at the hearing appointed by the arbitrators, they may act in the absence of such parties.

3. After the acceptance of the offer or the report of the arbitrators as to the value of the stock, the Directors shall have thirty (30) days within which to purchase it at such valuation, but if at the expiration of the thirty (30) days the Corporation through its Directors shall not have executed its right so to purchase, the owner of the stock shall be at liberty to dispose of the same in any manner he or they shall see fit.

K. The consideration to be received for the shares of the capital stock shall not be of a value less than the par value of such shares. Shares, once issued, shall not be subject to assessment in any manner whatsoever.

(b) Designations and Preferences.

The designations and the powers, preferences and rights, and the qualifications, limitations or restrictions thereof are as follows:

The holders of the Preferred Stock shall be entitled to receive, when and as declared by the Board of Directors of the Corporation, out of any assets of the Corporation available for dividends pursuant to the laws of the Commonwealth of Massachusetts, preferential dividends at the rate of eight per centum per annum and no more, payable annually, on such days as may be determined by the Board of Directors before any dividend shall be declared or paid upon or set apart for the Common Stock. Such dividends upon the Preferred Stock shall be cumulative from the date of issue thereof so that if dividends for any past dividend period at the rate of eight per centum per annum shall not have been paid thereon, or declared and a sum sufficient for payment thereof set apart, the deficiency shall be fully paid or set apart, but without interest, before any dividend shall be paid upon or set apart for the Common Stock. Whenever the full dividend upon the Preferred Stock for all past dividend periods shall have been paid, and the

full dividend thereon for the then current dividend period shall have been paid or declared and a sum sufficient for the payment thereof set apart, dividends upon the Common Stock may be declared by the Board of Directors out of the remainder of the assets available therefor.

The Corporation may at the option of the Board of Directors, redeem the whole or any part of the outstanding Preferred Stock on any dividend payment date, by paying one hundred and ten dollars for each share thereof, together with a sum of money equivalent to dividends at the rate of eight per centum per annum on the par value thereof from the date on which the dividends thereon became cumulative to the date fixed for such redemption, less the amount of dividends theretofore paid thereon. Notice of such election to redeem shall, not less than thirty (30) days prior to the dividend date upon which the stock is to be redeemed, be mailed to each holder of stock so to be redeemed at his address as it appears on the records of the Corporation. In case less than all the outstanding Preferred Stock is to be redeemed, the amount to be redeemed and the method of effecting such redemption, whether by lot or pro rata or otherwise, may be determined by the Board of Directors. If on or before the redemption date named in such notice the funds necessary for such redemption shall have been set aside by the Corporation so as to be available for payment on demand to the holders of the Preferred Stock so called for redemption,

then notwithstanding that any certificate of the Preferred Stock so called for redemption shall not have been surrendered for cancellation, the dividends thereon shall cease to accrue from and after the date of redemption so designated, and all rights with respect to such Preferred Stock so called for redemption including any right to vote or otherwise participate in the determination of any proposed Corporate action, shall forthwith after such redemption date cease and determine, except only the right of the holder to receive the redemption price therefor, but without interest.

In the event of any liquidation, dissolution or winding up of the affairs of the Corporation, whether voluntary or involuntary, the holders of the Preferred Stock shall be entitled, before any assets of the Corporation shall be distributed among or paid over to the holders of the Common Stock, to be paid one hundred dollars, \$100.00 per share, together with a sum of money equivalent to dividends at the rate of eight per centum (8%) per annum on the par value thereof, from the date or dates upon which dividends on such Preferred Stock became cumulative to the date of payment thereof, less the amount of dividends theretofore paid thereon. After the making of such payments to the holders of the Preferred Stock, the remaining assets of the Corporation shall be distributed among the holders of the Common Stock alone, according to the number of shares held by each. If, upon such liquidation, dissolution or

winding up, the assets of the Corporation distributable as aforesaid among the holders of the Preferred Stock shall be insufficient to permit of the payment to them of said amount, the entire assets shall be distributed ratably among the holders of the Preferred Stock.

Except as expressly required by law or as herein otherwise provided, the holders of the Preferred Stock shall have no voting power nor shall they be entitled to notice of meetings of Stockholders; all right to vote and all voting power being vested exclusively in the holders of the Common Stock.

(c) Selling Prices

The Corporation shall not sell Preferred Stock for less than its par value. The Corporation may sell its Common Stock at the nominal price of one dollar per share. The Board shall also have power to determine from time to time the consideration to be received for Common Stock without par value.

The total capital stock to be authorized is as follows:
