Lisa,

Steve L already is and perhaps Katie, too, is aware of this request to be on the BOS's agenda in the near future. Thanks. Janet

Dear Ms. Tomyl,

My name is Sarah Verner and I'm a 5th Grade Junior Girl Scout in Troop #72053. My Mom spoke with you and got your e-mail address. Our Girl Scout Troop met with Steve Ledoux, Ms. Adachi and Ms. Fleckner last week because we are working on the Government Badge. Our Junior Girl scout troop is also working on the Bronze Award. The Bronze Award is the highest award a Junior Girl Scout can get. For the Bronze Award we have to make a lasting impact on our community. We have been working on this project since September, and we cooked a dinner for Seniors at the Acton Council on Aging Thursday, April 2nd made from ingredients donated by many Acton supermarkets. Seniors don't cook very much or eat fresh ingredients when they are alone, so they mostly get meals on wheels dinners food that has been heated up and driven to the local seniors center. We cooked a spaghetti dinner for over 35 seniors at the Acton Council on Aging. We are planning to pass down this project or other ideas kids can do to keep helping the Council on Aging.

To help pass information about The Council on Aging, we were wondering if we could speak to the Board of Selectman to share what we learned about the needs of seniors in Acton.

We are a troop of 5 girls and we are hoping to do a very short presentation. We would request a meeting later in May so we can practice.

Please Let us know if this is possible. My Mom is Deb and her telephone number is 978.263.6794 or 617.429.8328.

Thanks,

Sarah Verner
