Hi Steve,

Can we add a discussion of the charge for a CPC standing committee to later in the agenda for Monday night's meeting?

Thanks!

Hi Katie: FYI - Perhaps you could schedule the CPA discussion on Monday later on the agenda so that Peter Ashton could attend? Thanks

I will try to come to your meeting on Monday. I have another meeting (VCC) but can probably slip out when you are discussing the CPA surcharge. I'd like to stick to our meeting next week if possible, and if I don't make it to your meeting perhaps another Selectman could come to our meeting on the 11th to report on the discussion. As I said I will do my best to come to your meeting next Monday.

Committee Members: I realized I will be in Aruba (a gift from my kids) on June 11, so will not be able to make the meeting. On the agenda item about changes to the CPA, I plan to have the BoS, at our June 8th meeting, vote to establish a standing committee and adopt its charge. Assuming that happens, I will forward the charge afterwards.

I assume the Standing Committee will assemble over the summer and begin work in the fall, with the goal of bringing any proposed changes to the spring Town Meeting.

So, the CPC can discuss the charge and strategy on June 11 or, if you prefer, we could reschedule for sometime after June 29th, when I'll be back.

Thank you.
