Subject: Appointment of Dean Charter as a full member of Senior Center Study Committee
Date: Thursday, June 18, 2015 12:21:07 PM

Hi, as Dean Charter retires from his position as Municipal Properties Director, he will relinquish that staff spot on the Senior Center Study Committee. Because there is an opening after Michelle Holmberg stepped off the committee due to work commitments, I would like to appoint Dean to be a regular full member of the committee, and Dean said he is happy to take that spot.

Please put this on the next agenda possible.

Thank you very much.
