Hi Katie: See SATSAC's agenda for their Thursday meeting. They are discussing asking the Town to contribute to the landscaping. MBTA's work will be minimal. I think they are talking about \$150-\$200K. Will know more on Thursday.

They would like to co-ordinate with the T's work, if that's possible, which may start in the fall. Please put a discussion of this on the agenda for Monday. May want to put an article on the fall TM warrant to fund this, unless the funds can be freed up in the FY '16 budget.

Thanks.
