**Subject:** RE: Entertainment License Application, RapsCALLION

Based on the age of the building and the spacing of the floor joists it is the recommendation of the Building department that a Structural Engineer evaluate the structural integrity of the building at 5 Strawberry Hill rd. It is also **not** recommended that the occupancy is increased or an entertainment license be issued until the recommendations of the engineer are implemented, approved and verified.

Thank you  
Norman Franks  
Local Inspector
