Please list below any additional information or comments that may help in the matching of your interests with the most appropriate Board/Committee, such as civic experience, special interests/hobbies, etc.: In my 37 years of HR in financial institutions and business planning I have developed keen financial and operational analytical skills that have enabled me to effectively determine what works well, what doesn't, what steps are needed for improvement, and how to effectively communicate these steps. During my 37 years in Acton, I have developed a deep appreciation for its history and the importance of preserving what generations before us have left us. One of my greatest pleasures has been the near-lifelong task of restoring my c. 1780 year old house on High St. As I head towards full retirement in November, I am interested in turning my time & skills towards giving back to the Town and the generations behind

The Acton Volunteering Committee met September 14, 2015 and interviewed A. William Alesbury for a position on the Site Plan Permit Committee and is open to other committees. He has been with Hewlett Packard for 34 years in finance and business planning. Will be retiring in November and is ready to do volunteering for the town. He doesn't have any conflict of interest. He was also interested in the CPA study committee, however that committee is filled. Hasn't been to Town Meeting in many years and would like to start on the Site Plan Special Permit Committee and then may like to perhaps join the Finance Committee as that is his field of expertise. We voted to further his name for consideration on the Site Plan Special Permit Committee.
