Hi Lisa,

Can you please add Marge Kennedy and Dick Calandrella's appointments to full members of the ANSTF to Monday's agenda?

Thanks!

Hello Charlie,

The process for appointing Associate members as full members does not involve the VCC since we have already vetted the Associates. You can ask your selectman liaison to make it happen and if she agrees, she will put their names on the selectman's agenda for a vote to appoint them. If you act today there is still time to get them on next Monday's agenda.

I will add your 2 Associate member openings to the list of positions that we are seeking to fill. In the meantime, do you have any suggestions for people that you think might be suitable to recruit for those positions?

As you know, Brenda Gowing and Pam Harting-Barrat have resigned from the ANSTF, which leaves us with 5 members and 2 Associates.

I suggest that the VCC recommend to the BoS that our two Associates, Marge Kennedy and Dick Calandrella, be appointed as full members and help us find two new Associates. ANSTF meets on Tuesdays from 7:00 PM to 9:00 PM, the meetings are posted, our next meeting will be October 13th at the Senior Center, visitors are welcome. Those interested may also want to attend the BoS meeting next Monday, October 5th, ANSTF will be giving a report to the selectmen on its work to date.

Thanks for your help.
