Dear Tom,

Per your request, I am officially offering the Town of Acton/Miracle League the donation of three ranch style houses currently located at 2,4 and 6 Rex Lane. We are happy to donate these homes for all of the uses we have discussed. As you are aware, time is of the essence for this project and we would like to get the homes moved as soon as possible.

Best Regards,

Jay and Jennine Redmond

I have spoken to Katie.

She wants this on the 12/21 agenda.

In preparation, we should have hard quotes concerning the foundations, any other costs associated with moving the houses and a cost for maintenance and upkeep of the bathrooms.

The site and septic plan for the proposed homes is now ready to move forward. So I would like to move forward ASAP with getting these buildings to you.
