March 9, 2015

Dear Acton Board of Selectmen:

Enclosed for your acceptance please find a \$100.00 donation check from Karen. J. Herther and Gary Kappel on behalf of the AB PIP (Parent Involvement Project) STEM (Science, Technology, Engineering and Math) program.

The donation is to go towards the purchase of a motion- activated wildlife camera. Natural Resources staff will be placing the camera on conservation land and sharing the wildlife photos with the public via the "WildAware" public education program.

We request that this check be deposited into Natural Resources Fund #3089 (Great Hill Conservation Area).

Thank you.

Sincerely,

Bettina D. Abe
