**RE: Request for Certificate of Compliance at 19 Billings Street
DEP File # 85-1180**

Dear Commissioners:

On behalf of our client, Assabet Properties, Inc., we respectfully request the issuance of a Certificate of Compliance for work completed at 19 Billings Street (DEP File No. 85-1180). Enclosed please find WPA Form 8A: Request for Certificate of Compliance.

Our office conducted an as-built inspection on May 3, 2016, and, although our firm did not supervise every aspect of construction, the completed work (demolition of an existing dwelling, construction of a new dwelling and associated grading and utilities within 100-ft of a bordering vegetated wetland) appears to have been done in compliance with the approved plan and Order of Conditions issued. All areas of the site that were disturbed by construction activities were observed to be stabilized with suitable ground cover on the date of inspection.

If you should have any questions regarding this request or require any additional information please contact our office.

Respectfully,

A handwritten signature in black ink, appearing to read 'Scott P. Hayes'.
