**RE: Request for Certificate of Compliance at 330 Nagog Hill Road
DEP File # 85-1117**

Dear Commissioners:

On behalf of our client, Chiung Fong, we respectfully request the issuance of a Certificate of Compliance for work completed at 330 Nagog Hill Road (DEP File No. 85-1117). Enclosed please find WPA Form 8A: Request for Certificate of Compliance.

Our office conducted an as-built inspection on October 21, 2015, and, although our firm did not supervise every aspect of the buffer zone restoration, the completed work appeared to be in compliance with the Order of Conditions. The native restoration plantings planted were observed at the end of their third growing season to remain well established and the area restored was observed to be stable.

If you should have any questions regarding this request or require any additional information please contact our office.

Respectfully,

A handwritten signature in black ink, appearing to read 'Scott P. Hayes'.
