Hello Sidewalk Committee,

There is a public shade tree removal hearing pertaining to the sidewalk construction plan on High Street on June 7 at 8PM at town hall in the Faulkner Room 204. A link to the posting is here <http://www.acton-ma.gov/CivicAlerts.aspx?AID=594>.

High Street sidewalk plans have been in a high priority for years. It has taken much diligence to get resident approvals and engineer construction plans for this complicated section of road. Those wishing

to advocate for the improved safety for pedestrians on High Street may wish to attend this meeting. Trees are esteemed and valuable resources, that are fortunately renewable.

Sincerely,

Bettina
