(1) Concentrate Development and Mix Uses

Yes	No	NA
X	<input type="checkbox"/>	<input type="checkbox"/>

Support the revitalization of city and town centers and neighborhoods by promoting development that is compact, conserves land, protects historic resources, and integrates uses. Encourage remediation and reuse of existing sites, structures, and infrastructure rather than new construction in undeveloped areas. Create pedestrian friendly districts and neighborhoods that mix commercial, civic, cultural, educational, and recreational activities with open spaces and homes.

Check "X" below if applicable

- Higher density than surrounding area
- Mixes uses or adds new uses to an existing neighborhood
- Includes multi-family housing
- Utilizes existing water/sewer infrastructure
- Compact and/or clustered so as to preserve undeveloped land
- Reuse existing sites, structures, or infrastructure
- Pedestrian friendly

(2) Advance Equity & Make Efficient Decisions

Promote equitable sharing of the benefits and burdens of development. Provide technical and strategic support for inclusive community planning and decision making to ensure social, economic, and environmental justice. Ensure that the interests of future generations are not compromised by today's decisions.

Promote development in accordance with smart growth and environmental stewardship.

Check "X" below if applicable

- Concerted public participation effort (beyond the minimally required public hearings)
- Streamlined permitting process, such as 40B or 40R
- Universal Design and/or visitability
- Creates affordable housing in middle to upper income area and/or meets regional need
- Creates affordable housing in high poverty area
- Promotes diversity and social equity and improves the neighborhood
- Includes environmental cleanup and/or neighborhood improvement in an Environmental Justice Community
- Other (discuss below)

Explanation (Required)

Acton is a middle to upper income community with 6.5% of its stock classified by DHCD as affordable so the home ownership opportunities we are providing for households below 80% of AMI will be well received. Moreover, we are providing two group homes for 8 individuals with special needs, all of whom will qualify as affordable, bringing diversity and social equity to the community. The proposed development has been supported by Town officials through the various public meetings which have already been held.

Check "X" below if applicable

- Creation or preservation of open space or passive recreational facilities
- Protection of sensitive land, including prime agricultural land, critical habitats, and wetlands
- Environmental remediation or clean up
- Responds to state or federal mandate (e.g., clean drinking water, drainage, etc.)
- Eliminates or reduces neighborhood blight
- Addresses public health and safety risk
- Cultural or Historic landscape/existing neighborhood enhancement
- Other (discuss below)

Explanation (Required)

The proposal features wetlands replication and preservation of the existing wetlands resources, which are under 5,000SF. The program also will feature an internal walking trail as well as other recreational facilities.

Explanation (Required)

Access to affordable housing in the Boston suburbs has been negatively impacted by local zoning which does not allow for multifamily development - which this project overcomes by virtue of its 40B permitting path

For further information regarding 40B applications, please contact Greg Watson, Manager, Comprehensive Permit Programs, at (617) 854-1880 or gwatson@masshousing.com
