Subject: Letter of support joyful feet massage
To: Michael Barry <michaelbarry@rocketmail.com>

I am the landlord of 436 great road. I wholeheartedly support Michael and his wife with their application and hope the board approves same.

Their business will bring some much needed life into this section of great road, which had been vacant for some time. The other tenants of the building have expressed similar support of the sign placement and design as it will benefit their business, a laser hair removal center.

Thank you for your consideration.

John Keramaris
