Nina:

Sorry for the delay. I have reviewed these articles and I am fine with them.

Steve L: Let me know if you/the BoS want me to come to the BoS meeting next Monday evening. I plan to be in town.

I hope this finds you well and enjoying the summer so far. I have attached drafts of the proposed warrant articles (including necessary bylaw amendments) to address your proposals concerning:

1. Appointment of an Assistant Town Moderator (termed "temporary" to conform with state statute); and
2. Use of electronic voting at Town Meeting.

We endeavored to reflect the issues and concerns raised in our meeting with you in May with respect to the parameters of both authorizations, and anticipate other issues that may be raised by Town Meeting members. Please review the attached and provide any comments or changes that you see necessary.

All the best,  
Nina

Steve & Nina:

Thanks so much for taking the time to meet with me on Wednesday. I've attached a few reports from various towns on electronic voting - Natick's includes their by-law. Also attached is a bibliography of other articles and information I gathered as part of the work Pat and I did last fall for the Acton-area LWV.

Looks like we will have a fall STM in early October so hopefully we can get the e-voting by-law passed and be ready for April TM.

Thanks for your help.

Peter
