

July 15, 2016

To: Selectman Liaison for The Sidewalk Committee

Subj: VCC Recommendation for Anthony Victor

The Volunteer Coordinating Committee met on July 11, 2016 and interviewed Anthony Victor for an opening on the Sidewalk Committee.

Anthony has lived in Acton for 36 years and has recently retired as CEO of a mechanical contracting company. He is now looking for something interesting to participate in.

His past contributions to Acton were as a member of the Acton and Acton Boxborough School Building Committees for the renovation, additions and new construction of the High School, Junior High School and Parker Damon School. He has no apparent conflict of interest and has the time to make most meetings. His education includes a BS in Civil Engineering and he has attended meetings of the Sidewalk Committee.

Therefore, with his willingness to make a commitment, his enthusiasm and his Civil Engineering and mechanical construction background, the VCC recommends moving his name forward for further consideration for appointment to the Capital Improvement Planning Committee.

Charlie Aaronson
