Hi Robert,

I am looking forward to the public hearing tonight regarding 25 Newtown Road. I have included a PDF with images of other residential structures in immediate area. Hopefully this will allow the zoning board to have a better idea of what the surrounding neighborhood looks like in comparison to our proposed building plans. I will bring paper copies of the PDF to the hearing.

Thank you,

Matt Mehler

Paul,

These additional plans will greatly help the Board to read the plans more clearly. I uploaded the new plans to the link below. This link will provide you all of the information of the town's review for the ZBA meeting on Monday. Feel free to give us a call in the meantime if you have any questions.
