PAID

Dear Mr. Papadopoulos:

The Acton Board of Health at their regularly scheduled meeting of February 23, 1998 unanimously approved a Hazardous Materials Control Permit for the Town of Concord's Nagog Pump Station, located on Great Road, Acton, MA. The Board's approval was granted based on the information provided within the Hazardous Materials Control Application and the observations and recommendations of the Acton Health Department.

The Board of Health requests that an application fee of \$380.00 be submitted to the town, within thirty (30) days after receipt of this letter. Should you have any questions regarding the Board's approval of the Hazardous Materials Control Permit please contact me at 264-9634.
