Re: Morrison Farmhouse and Barn

Dear Board of Selectmen:

The Land Stewardship Committee (LSC) received the July 11, 2016 email (via Executive Assistant Lisa Tomyl) from Board of Selectmen (BoS) Chairman Peter Berry requesting input from all boards and committees to help make a final decision on the future of the Morrison Farm buildings.

This topic was placed on our August 16, 2016 meeting agenda.

Seven LSC members present voted to tear down the Morrison Farmhouse in a near-unanimous “straw” poll. One member had no opinion and therefore abstained from voting. There were no “nay” votes.

Selectmen liaison Janet Adachi said the BoS is looking for feedback on the barn as well. A brief discussion ensued, but the LSC offered no collective suggestion.

Thank you.

Sincerely,

Bruce Rachman  
Chairman  
Land Stewardship Committee
