

### **ANS Advisory Committee Charge**

There shall be a Standing Committee known as the Acton Nursing Services Advisory Committee to support and raise awareness of Acton Nursing Services. The Committee will assist Acton Nursing Services with marketing and other related tasks, continue efforts to increase awareness of ANS, provide factual information about ANS to the community as needed, and offer other support as requested by the Acton Nursing Services Director.

The committee shall consist of seven members and two associate members. All members will be at-large but it is recommended that one member also serves on the Friends of the Acton Nursing Services. Members should have an interest in supporting the Acton Nursing Services and preferably will have knowledge of health and home care. The Acton Nursing Services Director will provide staff support and a member of the Board of Selectmen will serve as a liaison to the committee.
