RE: Request for Appointment of Sealer of Weights and Measures

The Health Department is responsible for the enforcement of [Chapter 98 of the Massachusetts General Laws, Weights and Measures](#), for the Town of Acton. With the recent retirement of our current Sealer, the Health Department requests, pursuant to Section 34, that the Board of Selectmen appoint Matthew Dow as Sealer and Evan Carloni as a Deputy to act under the direction of the sealer. Matthew and Evan are both full-time Town of Acton employees in the Health Department.

Mass. General Law requires that Sealer of Weights and Measures officials become certified within two years of appointment. Once appointed, the Health Department will ensure that both applicants meet all of the qualifications necessary to be issued a "Certificate of Qualification" by the State Department of Division of Standards.

Sincerely,

Sheryl Ball
Health Director
