

The Acton Volunteer Coordinating Committee met October 24, 2016 and interviewed Ye Emilie Ying for several committees. Her preference is the Planning Board as it fits her background. She has attended a meeting and feels she could be an asset on this committee. Has been intern in China on several large projects as well as in the finance planning of these large projects.

There is no conflict of interest with the software company where she is working presently. She has attended Town Meeting and is very interested in contributing to the town government. She has knowledge of reading site plans.

She has talked with Peter Berry and he was also very impressed with her knowledge and enthusiasm . We voted to forward her name for further consideration to the Board of Selectman.
