Dear Chairman Berry,

The Police Department has received a donation from Digital Federal Credit Union in the amount of three thousand five hundred dollars. The letter is attached and indicates that they would like the monies to be used to support our efforts providing programs that make a difference in the lives of children in school or after school.

We would request that the monies be accepted by the town and placed in the Police Department budget in the School Resource Officer account.

Respectfully submitted,

Francis J. Widmayer III
