TOWN OF ACTON

Building Department

INTERDEPARTMENTAL COMMUNICATION

To: Board of Selectmen **Date:** March 18, 2004
From: Garry A. Rhodes, Building Commissioner 
Subject: Special Permit 08/22/95-353 Amendment

The Board of Selectmen are in receipt of a request to continue the hearing for Acton Indoor Sports located at 30 Great Road. Acton Indoor Sports has requested the continuance because of proposed zoning changes, which if passed by Town Meeting, would render any decision null and void. I would recommend the hearing be continued until after Town Meeting. I would also recommend the liquor license and common victulars license request also be continued.
