From: Frank J. Widmayer, Chief of Police

Date: March 17, 2004

To: Don Johnson, Town Manager

Subj: Mobile Data Computer donation

Wayne Friedrichs has offered to donate to the police department two mobile data computers. These computers are former military ruggedized computers that have been refurbished by his company. Our department will test these computers by integrating them into our mobile data computer network once they are installed in our cruisers.

I recommend that the Board accept this generous gift on our behalf.

Frank J. Widmayer
Chief of Police

ESTIMATED VALUE APPROXIMATELY \$6,000.⁰⁰

As we discussed, since they are refurbished and were originally valued for the military probably in the \$10k range I would say about \$3k apiece.

Despite the Beacon article they have not been installed. We are waiting for them to be retro-fitted to a DC power supply.
