Acton Board of Selectmen
F. Doré Hunter, Chairman
Town of Acton

Dear Chairman Hunter,

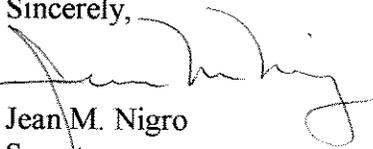

I am writing on behalf of the Commission on Disability to inform you that a donation has been offered to the Commission, and to request your review of said donation.

The Commission has purchased an adaptive swing for a local playground with funds donated by the West Acton Businessmen's Association. The Commission approved an expenditure for the purchase of a plaque to be attached to the swing indicating the WABMA gift. Standing Ovations has offered to provide the plaque to us at no cost. At this time an estimated value of the plaque is not available.

The Commission would appreciate your advising us regarding this offer.

Please feel free to contact Commission members at COD@town.acton.ma.us. Thank you.

Sincerely,

Jean M. Nigro
Secretary
